Weld Co. District Att. KEN BUCK Is running for Colorado US Senate

Recently, the Pitkin Co. Republicans and the Eagle County Republican Women held a joint “Meet and Greet” in Snowmass to hear Weld County D.A. Ken Buck speak about his ideas and visions for the future of Colorado. The small but inquisitive crowd asked questions like, “What is your opinion about the financial future of our Country/State and what do you intend to do if elected? What would you like to see in the future for the military?” Ken answered questions with ease and intelligence. I would encourage you to visit his website to get to know Ken better and to view his political views/platform. www.buckforcolorado.com
